HANDBOOK

VOLUME XIII

WHO ARE WE?

Nor*Cal Elite is widely regarded as one of the fastest growing All Star Cheerleading programs in Northern California. For 13 years, NCE has been cultivating the youth of our area into strong and confident athletes and people. We pride ourselves in offering an environment where both kids and teens alike learn lessons of sportsmanship, teamwork, and achievement.

EVALUATIONS

NCE's evaluation process isn't stressful or complicated. You only need to attend one tryout block. Tryouts are open to anyone interested in joining the NCE family. We accept athletes of all skill levels, from those with no experience to very high-level cheerleaders. You will have an opportunity to demonstrate your proficient skills to the NCE staff and then be placed accordingly on the team that best suits your proficient skill level.

Teams are selected so that each have the best possible chance of a successful competitive season. After rosters are set, athletes (or parents) are contacted to let them know the results of tryouts. *Unless you have a prior balance from previous seasons.

TUITION

Competitive cheer, while not as costly as some youth activities, can still be expensive. Before considering this or any program, please consider the financial commitment involved. Although others may advertise lower rates, NCE's overall value per dollar is highly competitive.

During the 12-month season, there will be monthly charges beginning May 2018 through April 2019. These charges will begin with your season deposit in May, first month's tuition due on the 1st of June. For the remaining months, tuition is payable on the 1st of each month. (June tuition due on June 1st, etc.)

This monthly fee covers tuition and does not fluctuate from month-to-month. Tuition does not change based on number of practices in any particular month.

The vast majority of athletes attending evaluations will be selected for a team. If NCE is not able to find a good fit for an athlete, other options will be discussed with NCE Staff. If an athlete chooses to decline a roster spot the fees incurred are non-refundable.

PAYMENTS

All payments, charges, and fees are handled through iClass Pro (SJ) and JackRabbit (SR) portals. Every member of NCE is required to have a credit card on file. Nor*Cal Elite has the right to charge this credit card with all fees incurred throughout the season.

COMPLIANCE

Failure to remain diligent with monthly payments or other contractual obligations may result in athletes being removed from the team for competitions or contract dismissal charges incurred as stated in the Parent Contract and Responsibilities Agreement.
